DETAILED ACTION

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with EuiHoon Lee on 12/26/07.

The application has been amended as follows:

In the claims:

Claim 1, line 20 after "area ends" and before "." insert --, Z is a value along the direction of the longitudinal axis, and Y is a value along the direction of the short axis--.

Claim 1, line 6, "joke" is replaced with --yoke--.

Claim 1, line 12, "joke" is replaced with --yoke--.

Claim 1, line 20, "joke" is replaced with --yoke--.

Claim 1, line 18, "and " has been removed.

Allowable Subject Matter

Claims 1-8 are allowed.

The following is an examiner's statement of reasons for allowance:

Prior art fails to disclose or fairly suggest:

- A display tube, wherein a cross section of the conical portion in a plane through the longitudinal axis and the short axis of the panel has a contour that passes through a point having Z and Y coordinates that satisfy $0.5L = Z$ and $0.88H < Y < H$, wherein H is the position of the seal edge on the short axis, L is the depth of the conical portion along the longitudinal axis from the seal edge towards position where the parabolic curvature of the yoke area ends, Z is a value of the coordinate along the direction of the longitudinal axis, and Y is a value of the coordinate along the direction of the short axis, in combination with the remaining claimed limitations as called for in claim 1 (claims 2-8 are allowable for the same reasons since they are dependent on claim 1).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
